- (v) Identity Proof and address Proof such as PAN Card, proof of possession of Aadhaar Card, financial information such as employer name, monthly salary, bank account number, bank statements, credit information, copies of identification documents etc.
- (vi) Data generated by your usage of our website and associated internet applications.
- (vii) The data provided by you *inter alia* enables us to create your profile, complete your KYC requirements, offer you the Services and provide you with customised support.

B. Information we may collect about you:

- (i) **Credit Information:** With your consent, we collect information from credit information companies, which would help the Company in customer verification and due diligence.
- (ii) **Device Information:** We may collect Information related to the electronic device you use to access the Portal, such as your devices' internet protocol (IP) address, browser type, operating system, software, device type, device ID, device international mobile equipment identity (IMEI) and date and time at which you visit the Portal or avail the Services. This helps us learn about and verify your identity as well as detect and prevent fraud.
- (iii) **Data related to Performance of the Application:** In addition to the above, we also track and collect the data related to the performance of the Application and other diagnostic data for identifying and resolving any technical glitches that may be identified from such data and also for improving the overall functionality of the Application.
- (iv) **SMS:** We may need access to the SMS functionality in your device for the purposes of activation of certain Services on your device. We may periodically collect transactional SMSs.
- (v) **Location:** We may receive, collect and analyse your location information, which may be accessed through a variety of methods including, inter alia, GPS, IP address, and cell tower location and, your precise location based on GPS data.
- (vi) **Cookies and similar technologies:** Cookies are small data files that a Website stores on your computer. We will use cookies on our Website similar to other lending websites / apps. Use of this information helps us identify you in order to make our Website more user friendly. Most browsers will permit you to decline cookies but if you choose to do this it might affect service on some parts of our Website.
- (vii) **Third Party Information:** We may also work closely with third party business partners, technical sub-contractors, analytics providers, search information providers, account aggregator etc. and may lawfully receive Information about you from such sources. Such Information may be combined with Information collected on the Portal and such other Information as provided in this Policy.
- (viii) **Other Information:** We may also collect your Information via other sources, such as delivery address or contact Information from our partners, Information from our payment service providers, public records, publicly available sources or internet sites, vendors, data suppliers and service providers, commercially available marketing lists or registries, telephone directories, social network, news outlets and other related media.

C. Use of Customer Data

We may use your data (as mentioned above) for various things including specific business purposes ("Services"), which will include the following:

- a) to provide services that might be required by the customer,
- b) to process the customer's financial and non-financial transaction requests,
- c) to undertake research and analytics for offering or improving the Company's services,
- d) to check and process the user's application for availing any financial services,

- e) to share any updates/changes to the Services and the terms and conditions with the user/customer,
- f) to take up and investigate any complaints/claims/disputes.
- g) to respond to queries and feedback submitted by you
- h) for verification of your identity as per the internal policies including KYC.
- i) to fulfil the requirements of applicable laws / regulations and / or court orders / regulatory directives received by the Company.

D. Retention of information collected.

The Company would retain the data submitted/collected by you for such reasonable period as would be necessary for it to deliver its Services, also taking into account the Company’s need to answer queries or resolve problems, provide improved and new services, and comply with legal requirements under applicable laws.

E. Sharing of Information

Where possible, you shall have the option to restrict disclosure to third parties. However, where sharing of information to a particular third party is necessary for providing the products and/or services, you shall not be able to avail such products and/or services in case you decide to restrict such disclosure. Following are the third parties to whom your information may be shared for providing/enabling the products and/or services:

Type of Third Party	Description
Group companies of the Company	We may share your information to our, affiliates, and group companies in order to efficiently provide certain products and/or services or particular features, for internal corporate/business restructuring purposes and audit related purposes etc. in compliance with applicable laws.
